## “BY THE WAY, WHAT IS OUR POLICY ON.....”

### Couples Who Desire to Have Their Wedding at First Baptist Church

It is very important that couples contemplating marriage be familiar with these guidelines:

A couple needs to meet the following five requirements before we will agree to conduct the wedding and/or let them use our church building for the wedding:

1. Both the bride and groom must know Christ as their personal Lord and Savior.
2. Either the bride or groom must be a regular attendee of First Baptist Church. (If the bride and groom are both Christians, but do not attend our church, we will consider conducting the wedding if they agree to faithfully attend our church for at least a six month period of time.)
3. If a wedding is held at First Baptist there can be no dancing or alcohol at the reception, even if the reception is held off-site.
4. Both the bride and groom must agree to meet with one of our Pastors before approval for use of the church is given.
5. The pastors of First Baptist do not perform remarriage ceremonies following a divorce.\*

\*The pastors do believe there are some biblical grounds for remarriage following divorce. They simply have chosen not to participate in the often complex process of remarriage when either the bride or groom (or both) have previously been divorced.

## Beacon of Hope Update

### **Christmas Shopping Day THANK YOU!**

**Many thanks to everyone** who provided gifts and volunteered time for this event. Unfortunately, the weather forced the cancellation of the service and shopping on Saturday. But, while things did not go exactly as planned, Beacon was still able to bless **74 participants** with Christmas gifts on the following Monday and Tuesday.

Participants expressed their profound thanks to volunteers and some said that they would have had nothing for Christmas if it were not for Beacon of Hope. So, thank you for showing the love of Christ to those in need in our community.

### **Diaper Drive**

**THANK YOU** for filling the bin with diapers for the Learn & Earn store! This is especially helpful to the budget as the Mid-Michigan Diaper Bank no longer exists so Beacon will not get any more free diapers from this organization.

### **Faith & Finances Update**

The first Faith & Finances group finished on December 7 with a potluck supper and devotion from Pastor Tim. All 11 students who started the class completed it. Students were introduced to a Biblical foundation for viewing all the resources that God has given to them. Then they learned how to track income and expenses, prepare a budget, and plan for the future needs.

### **Volunteers Needed!!**

**Women** are needed to serve as Advisors. Volunteers are also needed for:

- **Learn & Earn store** on the **2nd Tuesday** of each month (from 5:30 – 8:00 p.m.)
- **Produce Distribution** (1st & 3rd Thursdays)
- **Food Bank Pick Up** (Monday mornings)

Contact Karen Leif if you are interested.

## **NEXT MONTH . . .**

### **For Life Matters Worldwide**

You have until March 5th to return the bottle. If you want to drop off your bottle(s) before that date, please feel free to bring it/them to the church office during business hours or anytime on Sunday and someone will be there to collect them. If you prefer to write a check, please make it out to Life Matters Worldwide.

### **An Opportunity to Help our Missionaries, Carl & Lori Kresge**

In June, Carl & Lori Kresge will be having a combined conference with missionaries from Russia, Ukraine and Kazakhstan. We have an awesome opportunity to provide gifts for Lori to give to the ladies who will be there. We are making knitted dishcloths (already provided) and aprons.

We have a need for material to be donated to make aprons. It takes 1 yard of material for each apron. This material needs to be of good weight - not thin- as it will need to withstand much wearing and washing. If you can provide material, please give it to Pam Snyder and she will cut out the pieces.

We also need ladies who would like to sew the aprons. The directions will be provided for you.

Thank you for helping us to bless these ladies who are out there helping to spread God's Kingdom to the people in Russia, Ukraine and Kazakhstan.

### **YOU CAN HAVE BEVERAGES IN THE AUDITORIUM!**

#### **Coffee/Beverages in the Auditorium**

You may drink beverages in the Auditorium. All cups must have a lid. Coffee/Tea/Hot Chocolate are available in the Kitchen.

*Congratulations to Preston & Stephanie Nichols on the birth of their daughter, Crystal Adele. Crystal was born on Monday, January 2, 2017. She weighed 8 lbs., 7oz. Grandma is Patti Jo Nichols.*

*Congratulations to Nick & Mandi VanZee on the birth of their son, Oliver Jay. Oliver was born on Tuesday, January 3, 2017. He weighed 7 lbs., 8 oz.*

*Congratulations to Ryan & Jill Shackelford on the birth of their son, Luke Anderson. Luke was born on Thursday, January 26, 2017. He weighed 7 lbs., 1 oz.*

*Thank You!*

*It has been a blessing to know that so many friends from First Baptist are holding me up in prayer while I continue to recover and*

*heal from the double bone break in my pelvis. Your many cards, phone calls and facebook messages have been so uplifting and really help to make the healing process much more bearable. The Doctor indicated that he is very satisfied with my rate of healing.*

*Thank you so much. Your Friend in Christ, Virginia Kingsley*

*To The First Baptist Family,*

*Thank you for the gift of Bibles in my Mom's memory. I have truly felt the support of the church family during this time.*

*Thank you, Scott Darragh*

*Dear Friends Back Home,*

*Thank you so much for your prayers & get well wishes. My cheek bones have healed and I'm able to eat. Just a few spots left to heal, but I'm trying to get back to my normal schedule.*

*God is good! My love to all, Fran Nelson*

*Dearest Church Family,*

*Our Curtis Jordan Feldpausch went home to be with his Savior on Dec. 30, 2016 at 1:16 p.m. at the age of 22. Thank you for your outpouring of God's love to us. We are so overwhelmed with gratitude that a simple thank you seems inadequate. The home-going of Curtis certainly caused many days of weeping, "But we do not grieve as those who have no hope (1 Thess. 4)." Our small group study was very timely (Jim A. & Jim C.) in preparing us for this time. Hope in Christ will never disappoint! Our hope is built on nothing less than Jesus Christ and His righteousness.*

*We are grateful to our pastors - Tim, Ron, & Chad - for preaching, praying, caring, and organizing on our behalf. We appreciate the secretarial staff and all they did behind the scenes, Julie playing the piano, the technology team ensuring the service ran smoothly, the awesome army of ushers, the numerous friends who helped with the setup, takedown, and food prep for the reception, and those who provided child care of our little ones. May the Lord bless those who sent cards, delivered food, and gave generously to aid Rachael financially. All of you showed by your love, embraces, and kind & comforting words what it means to be in one accord for the worship and glory of God our Father.*

*Maybe you are reading this and are not a part of the hands and feet in a body of believers. Please come and join us in serving Christ together. If you have never repented and surrendered your life to Jesus Christ, today is the day of salvation. Follow Him "until that day" as Curtis prayed.*

*With sobering gratitude, Steve & Eileen Feldpausch Family, Rachael Feldpausch, Bruce & Michelle Hill Family*

*I would personally like to thank all the people involved in helping with the funeral dinner for Curtis Feldpausch. It was definitely the biggest funeral dinner we have ever done and the response to the text messages and e-mails for providing food and helping with the preparation, set ups and clean up was overwhelming. I had to make very few calls to ask for help. We were told to prepare to feed 400 people. As you probably already know, there were over 800 people who attended the service and had no way to know how many we served food to. God had the meat and drink stretch to serve all that were there, with veggies, salads and desserts remaining.*

*I am blessed and honored to be able to help with this ministry and look forward to working with all of you again when OUR services are needed for our brothers and sisters in Christ!*

*Pam Snyder*

# MISSIONARY OF THE MONTH

## Peggy Marsh (Retired)

**Address:**

4150 S. Tustin Drive  
Palmer, Alaska 99645

**Richard (Dick):** 1/19/31-9/3/14

**Peggy:** 9/25/31

**Married:** 9/23/50

**Children:**

**Ken:** (1951) **Janet:** (1957)

**David:** (1969)

**Mission Agency:** Baptist Mid-Missions  
Began church planting in Alaska in 1968  
Retired in 1996

**Home Church:** Bethany Baptist Church, Grand Blanc, MI

Peggy was born and raised in Flint, Michigan. Her mom and dad were not believers. She was not looking for the Lord but believes He found her. At age 17, she went to church with a friend, heard about salvation, and came to know Jesus.

Dick was also raised in a home without the Lord in Grand Blanc, Michigan. He was saved at a church meeting at age 14 in an Evangelical Brethren church.

Dick and Peggy met at church and started dating at age 18. After they adopted Janet, they were led to Bethany Baptist in Grand Blanc. They took membership classes, were baptized, and became involved in God's work around the age of 30. They worked with the youth, choir, and taught Sunday School classes. Dick was a deacon and on the Board. They were called into missions at a missionary conference in 1963.

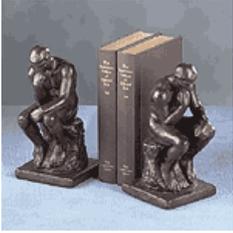

Dick and Peggy graduated from Pillsbury Baptist College in Minnesota in 1966. They were on deputation for 19 months and then began work on their first church plant in Alaska. Over the course of their career, Dick and Peggy helped plant three Alaskan churches in Anchor Point, Kodiak, and Palmer. They retired from full-time ministry in 1996.

Although Peggy and Dick had retired, they kept very busy with their church. Peggy used her artistic skills for flower arranging and decorating at the church. She also created decorations and visual aids for ladies' retreats and VBS.

Dick spent a good deal of time in the warmer weather fishing for salmon, hunting caribou, and processing the meat to freeze for winter supply. He also filled the pulpit when other pastors were on vacation.

Dick is now with our Lord and Savior Jesus Christ. He went home to be with the Lord September 3, 2014. After nearly 64 years of marriage, Peggy praises the Lord for the many years He gave them. Dick was a wonderful preacher, pastor, missionary, witness, husband and father. Praise God for their life serving the Lord together in Alaska for a total of 46 years. Peggy still attends Pioneer Peak Baptist Church (the church they founded in 1975).

# Food for Thought...A Challenge to be Thinking Christians

## 8 Tips for Taking Good Sermon Notes

*From Crossway Publishers Daily Blog*

### **A Prayer before You Begin**

We live in a noisy world. Whether in the back or foreground, through talk radio, music, or conversations, we're almost constantly ingesting audible information. By week's end when we arrive at church and settle into the pew for a sermon, we try to silence the noise and prepare ourselves to hear something altogether different—God's living, active Word.

Good biblical teaching is more than just inspiring. It has the power to change hearts! With that in mind, taking notes on the message is a great way to stay engaged, leaving reminders for reflection later in the week to revisit the message and discuss with others.

Try these eight tips, and use a notebook or the margins of your ESV Journaling Bible to record thoughts and sermon notes. Before beginning, invite the Lord to bless the hearing of his Word. Dear God, thank you that I can gather with other believers and hear your Word proclaimed and explained. Oh, give me ears to hear! I pray that the pastor's words would serve to point me to your truth, and that it would take deep root in my heart, producing much fruit.

#### **1. Come prepared with the right writing utensil.**

It's important to choose the right kind of pen or pencil when it comes to writing in your Bible, even if you're writing in a Bible with thicker paper.

#### **2. Don't try to transcribe everything the pastor says.**

The goal of good sermon note taking is not creating a verbatim record of everything the pastor says from the pulpit. If your church records each week's message, there's no reason you can't go back and listen to it again (or even transcribe it) later. One of the dangers of trying to write down everything the pastor says during the sermon is that it often has the ironic effect of distracting us from truly thinking about what he's saying.

A more helpful approach to sermon notes is summarizing the sermon's key points, paying attention to the message's inherent structure. Some preachers explicitly lay out the structure of their message, regularly calling out different, numbered points. Others may not be as explicit about the structure of the message, but, most likely, there is structure to be found if you pay attention.

Focusing on the main points of the sermon will also allow you to note particularly impactful insights, practical applications, and follow-up questions.

#### **3. Note related passages.**

Even if your pastor tends to preach from a single passage each week, it's likely that he often reads or references other passages at times. Jot some of these references down as you listen to the sermon—this will make it easier for you to return to your notes later and dig into other biblical passages that may shed more light on the message itself.

(Next Page)

## Food for Thought...(Cont.)

### **4. Look up from time to time.**

When taking notes during a sermon, it's easy to get sucked into the actual writing and forget to look up from time to time. And yet, looking up can be important for a couple reasons.

First, it gives you a chance to pause and take a step back from what you're writing. In doing this, you may find that you're able to make new connections, glean new insights, and ponder new applications related to the biblical text as you focus on simply listening to the message.

Second, it lets the preacher know that you're paying attention and engaged, rather than bored or distracted. Making eye contact can provide a small but needed encouragement.

### **5. Be sure to take note of the date and speaker.**

Much like a journal entry, sermon notes can provide a record of what you were learning in various seasons of life. Having a date and name to associate with the notes can be helpful ebenezers (or reminders) when looking back through your notes at a later time.

### **6. Before the sermon ends, write down a one-sentence summary of the whole message in your own words.**

Challenging yourself to sum the sermon up into a thesis of sorts can be a great way to solidify your understanding of the message. If someone were to ask you about the sermon at lunch afterwards, what would you say it was about? What is the main point you think your pastor intended for you to take away?

### **7. Remember that the goal of sermon note taking is communion with God, not detailed or beautiful notes.**

It's easy to lose sight of the ultimate goal of good sermon notes: communion with the living God through his Word. Fight against the temptation to allow other goals—perfect accuracy, comprehensive detail, beautiful penmanship, etc.—to distract you from that which is most important.

Ultimately, it doesn't really matter what our sermon notes look like or even how infallibly they reflect the sermon from which they were originally drawn. What matters is how God uses his Word to transform our hearts and minds, conforming us more and more into the image of his Son. When taking notes during a sermon, make sure that's your ultimate goal.

### **8. Revisit your sermon notes throughout the week.**

For most of us, by the time Tuesday morning rolls around, we've often forgotten all about our pastor's sermon the Sunday before. Sermon notes are a great tool for reminding yourself of what was preached on Sunday later in the week, allowing us to continue meditating on the message. What's more, if your pastor is preaching through a book of the Bible expositively, reviewing your notes from the previous Sunday's message could serve as a great warmup for hearing your pastor's next message.

Finally, this may prove especially helpful for those in churches with weekly small groups, which often include discussion related to the most recent sermon.
